## **SERVICES TO BE PROVIDED AS PART OF THE DAY CARE FEE**

Our Early Learning Center provides a high quality program. The staff is professional, well-trained, and sensitive to the children's needs. The classrooms are up-to-date with children in mind and with toys that are age-appropriate. Our school provides a well-rounded program: we are State Licensed, NAEYC Accredited and earned 4A stars with Keystone Stars.

All supplies needed for teaching and developmental purposes are provided by the school in order to make it a successful preschool experience. The children will also be provided with special holiday treats as well as occasional appropriate snacks.

Everything will be done in order for the children to be safe, to be happy, and to thrive.

Shalom,

Jennifer Slattery
